

CREE NATION COVID-19 Bulletin

August 24th, 2021

For August 24th, 2021 there are no recommended changes to the areas of risk however the recent contact tracing demand has demonstrated that there is an increase in risk. To lower the impact of potential contact tracing there is a recommendation to change the gathering limits within Eeyou Istchee:

Deconfinement in Eeyou Istchee v. Quebec in General

Eeyou Istchee	Quebec: Green
<p>Indoor <u>Private</u> Gathering: 50 People (<i>No Change</i>)</p> <p>Indoor <u>Organized</u> Gathering: 50 (<i>Previously 250</i>)</p>	<p>Indoor: Max 10 people or 3 households</p>
<p>Outdoor <u>Private</u> Gathering: 150 (<i>No Change</i>)</p> <p>Outdoor <u>Organized</u> Gathering: 150 (<i>Previously 250</i>)</p>	<p>Outdoor: 10 people or 3 households</p>
