

Capital Works and Services - Cree Nation Government 2023 – Upcoming Calls for Tender

New Construction and Renovation Projects

The Cree Nation Government is planning construction and renovation projects during the year 2023. Plans and specifications are now being prepared and calls for tender will be soon published.

With these upcoming calls for tender, the Cree Nation Government will request bids from contractors for several types of projects. Amongst them, some projects will be subject to CNG procedures for projects below 2M\$ (Cree contractors only) and others subject to procedures for projects above 2M\$ (open to all contractors in the province of Quebec).

CNG will request bids in compliance with the By-law Concerning the Procedures and Requirements relating to the Calling of Tenders and Awarding of Construction Contracts and the By-law concerning the Regulation of Certain Buildings for the Protection of Public Health and Safety (the “**By-Laws**”) adopted by the CNG pursuant to section 85 of the *Act respecting the Cree Nation Government*.

Below, you will find the list of the upcoming calls for tender for the year 2023. This list is subject to change without notice.
